

# ERIN HARPE & THE DELTA SWINGERS (4 piece) – STAGE PLOT

## Input list:

- 1 vocal mics on the front line - Erin has her own Beta 58
- 1 mic for Jimmy's guitar/harmonica amp
- 1 guitar amp with built in DI
- 1 bass amp (has built in DI)
- 4 piece drum set
- 1 vocal mic for the drummer (boom mic stand)

## Main/house mix:

We like a little reverb on the vocals, Erin the lead singer/guitarist should be louder, and the backing vocals (drummer) should be quieter.

## Monitor mix:

Everyone wants vocals (lead a bit louder and no fx), guitar, kick drum, and a little bass.
